

REGULAR BOARD MEETINGS

To allow full participation by all Board members and the public, the Board of Trustees' regular meetings will be decided within 3 days of the current meeting. The new meeting date will be set no sooner than 3 weeks and no later than 5 weeks from the current meeting and will preside within the next calendar month.

The schedule of regular meetings will be posted on the school website.

The Chair may cancel or move meetings to another day for good cause after consulting with the other Board members and the school's Executive Director. Under exceptional circumstances, an individual Board member may request at a regular meeting that a subsequent meeting be rescheduled. The full Board will consider such requests.

All meetings will be duly noticed per NH RSA 91-A.
